# HELLO KOELSTRA

Over 80 years ago Koelstra was founded, a traditional Dutch brand where safety, quality and comfort were our prime concern.

Throughout the years our assortments widened and innovations caused the products to be adapted to contemporary designs. We want to offer every child the chance to discover the world with our products: outside with our buggy's and strollers; inside with our travel cots and bouncers. Each products was developed and designed with our companies' core values in mind.

Enjoy your Koelstra product, your child; your originals. Want to know more about Koelstra or one of our products? Have a look at koelstra.com.

## what's new

### TRAVELSLEEPER T5 with additional level.

- ✓ Sturdy zipper
- ✓ With click system

- ✓ Velcro fastener

New! The Travelsleeper T5 with additional level. The modern travel cot can be set up in two simple steps: turn, click and ready! Very nice and new with the Travelsleeper T5 is the extra level you can use during the first few weeks with your little one. You do not have to bend too much to raise your baby and burden your back as little as possible. With a sturdy zipper, you easily attach the extra level. When your baby can sit, he can sleep or play without the extra level. Perfect!
